

# Needs analysis

## Information :

Agent :

Account name:

Postcode/city:

N°account:

Contact :

E-mail :

Mobile / Office :

Ref/Idema :

Equipment :

Quantity:

## Product characteristics:

Product :

Flow :

Density :

Grain-size:

Humidity :

T°C :

- Abrasive     Fusing     Toxic
- Sticky     Corrosive     Hygroscopic
- Explosive     Other :

## Constraints:

Type :

Height between flanges:

Inside :

Outside:

Theoric capacity :

Speed of rotation:

Options :

## Motorization :

Type :

Tension :

Power :  Class :

Other :

Variable speed drive:

Frequency :

Protection :

## Packaging :

Transport :

Ranges/Cases :

Special instructions:

## Equipment environment :

Upstream application:

Downstream appli. :

Upstream pressure:

Downstream pressure:

Δ Pressure :

Filling coefficient:

## Use of matériel :

- Barrage     Extraction     Regulation
- Etancheity     Pneumatic Transport     Other

## Comments :

## Certificate :

- Atex zone :
- Food contact
- Explosion proof
- Flame proof
- Conformity
- Other :
